WHAT IS “LIFELONG LEARNING”?

WHAT IS LIFELONG LEARNING”?

Formal

Non-formal

Informal

IS PARTICIPATION ONLY FOR THE HIGHLY- EDUCATED?

Yes, but...

CAN WE BE MORE INCLUSIVE?

Also yes :)

WHAT CAN EDUCATION DO?

LLL Manifesto (2015)

“Making citizenship and global education, as well as intercultural and interreligious dialogue, priority areas of European Union and national education policies.

The **transformative power of education** has a major role to play in building inclusive and democratic societies”

WHAT CAN EDUCATION DO?

Overcome the artificial dichotomy between the so-called intrinsic and instrumental value of education

Teach “how” to think, not “what” to think

Be patient: investment in education works slowly, but surely does

WHAT CAN EDUCATION DO?

Break the silos between education sectors

Citizenship education should be transversal

Democracy is not to be taught is to be lived - create democratic spaces in learning environments
